A week of events targeted at Political and Social Science researchers, including junior faculty and advanced graduate students

- Short intensive (half or full day) courses and workshops
- Expert instructors

**Replication Workshops**

- Discuss methodological issues and replicate key results and from published research with authors

**Quick Guides to Advanced Statistical Techniques**

- Core theory, applications and implementation
- Self-contained courses on specific techniques
  - ◆ e.g. non-parametric regression or missing data
- Introductory courses for those considering the ICPSR/Essex summer schools, or as a prelude to independent study
  - ◆ e.g. duration modelling, time series, panel data analysis

**Introductory Courses for R and Stata**

- For those already familiar with one statistics package to help overcome the start-up costs of learning another

**Also provided:**

- Computing, internet, and library facilities
- Meals and accommodation in an Oxford college
- Social programme

**E · S · R · C**  
ECONOMIC  
& SOCIAL  
RESEARCH  
COUNCIL
